## Borg & Overström Totality®

Driven by a relentless pursuit of excellence, Borg & Overström Totality® is a research and development methodology for the advancement of hygiene, innovation and technology in refreshment systems.

### Biofilm, limescale and impact resistant epoxy resin panel finish

Providing an increased level of hygiene and longevity, Fynil™ is a scratch and impact resistant epoxy-resin surface finish - effectively resisting biofilm development and limescale cohesion.

### World-class filtration

For the ultimate drinking experience, Borg & Overström appliances can be pre-fitted with a 3M filter to reduce sediment, chlorine, odours and scale.

Laboratory certified 99.999% bacteria-reduced. Every Borg & Overström appliance undergoes an anti-microbial, antipathogen, sanitising procedure. The reassurance of hygienically safe appliances is provided by the unique bacteria-reducing process, Sterizen™.

### Ultra-violet sterilising system

For added hygiene confidence, appliances can be fitted with Viovandt™ – an ultra-violet sterilisation process that reduces water-borne bacteria.

## B3 models

	Floorstanding W325xD380xH1065mm	Water system	Dispense height	Max power consumption	Silver	White	Black

## Additions for B3

**Biodegradable paper cups**  
Environmentally-friendly disposable cups designed to fit Borg & Overström cup dispensers perfectly.

**Personal drinking bottles**  
500ml capacity in black or grey frosted soft-touch finish. Comes with quick-release leak-proof cap and carry strap.

**500ml glass bottles**  
Suitable for dishwashers and bottlewashers. Perfect fit for the B3. Stylish swing-top lid.

**Sanitisation kit**  
Six monthly sanitising cycles ensure appliances function at the optimum hygiene levels.

**Waste kit overflow sensor**  
Featuring an audible high-water level alarm to prevent the waste tank from overflowing.

**Leak detection kit**  
Featuring a moisture sensor that shuts the water supply in the unlikely event of a leak. Included as standard on floorstanding models.

**Install kit with 3M filter**  
Install appliances simply and effectively in a wide range of applications. Complete with a 3M filter.

**Ultra-violet filter kit**  
Complete Viovandit™ filter kit to assist in water purification and removal of unwanted micro-organisms.

**Wall bracket kit**  
For added security, use the wall bracket set to anchor your watercooler back to the wall. Simple to fit and unobtrusive.

**Rear cover kit**  
Tamper-proof rear cover anchors the appliance to the wall and protects plumbing and electrical connections. Ideal for public areas.
