## Catering for capacity

The U1 boasts a compact yet high capacity under-counter appliance. It delivers a speedy throughput of 80 litres per hour at a consistent chilled temperature, making it the perfect solution for busy environments including Horeca applications.

## Borg & Overström Totality®

Driven by a relentless pursuit of excellence, Borg & Overström Totality® is a research and development methodology for the advancement of hygiene, innovation and technology in refreshment systems.

**Ultra-violet sterilising system**  
For added hygiene confidence, appliances can be fitted with Viovand™ – an ultra-violet sterilisation process that reduces water-borne bacteria.

**Laboratory certified 99.999% bacteria-reduced**  
Every Borg & Overström appliance undergoes an anti-microbial, antipathogen, sanitising procedure. The reassurance of hygienically safe appliances is provided by the unique bacteria-reducing process, Sterizen™.

**World-class filtration**  
For the ultimate drinking experience, Borg & Overström appliances can be pre-fitted with a 3M filter to reduce sediment, chlorine, odours and scale.

## Additions for U1

**Biodegradable paper cups**  
Environmentally-friendly disposable cups designed to fit Borg & Overström cup dispensers perfectly.

**Personal drinking bottles**  
500ml capacity in black or grey frosted soft-touch finish. Comes with quick-release leak-proof cap and carry strap.

**500ml glass bottles**  
Suitable for dishwashers and bottlewashers. Perfect fit for the U1 tap. Stylish swing-top lid.

**Deep Sparkle® CO<sup>2</sup> refills**  
Can be disposed via standard steel recycling or general waste. Requires CO<sup>2</sup> regulator with gauge.

**Sanitisation kit**  
Six monthly sanitising cycles ensure appliances function at the optimum hygiene levels.

**Optional drip trays**  
There is a range of integrated or freestanding stainless steel drip trays.

**Waste kit overflow sensor**  
Featuring an audible high-water level alarm to prevent the waste tank from overflowing.

**Install kit with 3M filter**  
Install appliances simply and effectively in a wide range of applications. Complete with a 3M filter.

**Ultra-violet filter kit**  
Complete Viovand™ filter kit to assist in water purification and removal of unwanted micro-organisms.

**Mains waste kit**  
Mains waste kit connects the drip tray to the waste.
