

Spare Parts Policy

The supply of spare parts will be maintained to support our distributors in maintaining and refurbishing their Borg & Overström dispensers.

Parts that are stocked, and available to order via the web store, are the items featured in the exploded diagrams found in the electronic Product Manuals on the website.

Spare parts are available for all current models. Once a model has been discontinued, spare parts will continue to be available for a period of up to 3 years, subject to availability.
