Contemporary, convenient and  
compact integrated drinking water tap.

t1

# t1

Minimal contemporary design,  
maximum convenience and performance.

Durable and discreet, the T1's compact and flexible design can be installed directly into a countertop or placed above a sink, for the ultimate in filtered-water convenience.

System

### ProCore®

Powerful and compact, energy-efficient modular system.

### DryChill®

Rapid and hygienic, efficient chilling technology.

Technology

### DeepSparkle®

Sparkling water with long-lasting fizz

### Viovandt® (optional)

Chemical-free, eco-friendly integrated UVLED purification.

Hygiene

### Totality®

Filtration and hygiene assurance with Biomaster®.

Accessories

### T1 Drip Tray

Complementary circular tray for sink-less countertop integration.

## Convenient and compact.

For complete convenience, the T1 can be mounted over a sink or paired with a discreet drip tray and placed directly into a countertop. Easily installed with a plug-and-play system, the illuminated control panel is seamlessly integrated into the body of the tap, providing versatile access to sparkling, chilled and ambient filtered water, making it fast and easy to refill bottles and glasses with refreshing, great-tasting water.

## Powerful and energy-efficient.

Designed and built in the UK, the T1 is powered by our exclusive, compact, modular ProCore® system with discrete ventilation. The integrated DryChill® airless, rapid cooling technology delivers the ultimate in hygiene and performance, reducing the risk of contamination and ensuring every glass delivers perfectly chilled, fresh-tasting water.

## Confidently clean water.

Totality® is our 5-step methodology to achieving pure, healthier, premium water. Providing hygiene assurance in every pour, Totality® reduces sediment, odours, chlorine and microplastics, for freshly-filtered water that is safe to drink and tastes clean, crisp and fresh.

For complete peace of mind, select Viovandt® enhanced UV-C purification. The ultraviolet LED technology provides eco-friendly, chemical-free sterilisation to reduce bacteria and viruses.

## Bottleless water for every environment.

Designed for hard-working environments, the premium aesthetics of the T1 feature an easy-to-clean Fynil® finish and touch panel with antimicrobial silver ion protection. Refill with ease and eliminate the need for single-use plastic bottles, so you can hydrate with a conscience that is as clear as your water.

Sophisticated and versatile, suitable for both over-sink or sink-less environments.

Excellence in every pour.
